## Alliance-Salem Airport Urged By CAA Officials

Class 3 Airfield One of 130 Recommended In Ohio For Construction Within Three Years

An Alliance-Salem airport, Class 3, is one of 130 airports in Ohio recommended by the Civil Aeronautics Authority for construction or improvement within the next three years.

No application has been made to the CAA for this airfield. Initiation of the work would have to be made by the two cities and allocation of federal funds would depend upon submission of definite proposals together with assurance that the cities have funds ready to meet their share of the cost. This share is slightly more than half of the cost.

## FUEL FAMINE HITS BRITAIN

Half of Industries Shut Down As Kingdom Battles Cold

LONDON, Feb. 10.—The gravest fuel famine in British history closed down more than half the kingdom's industry today, throwing more than 4,000,000 workers into idleness and restoring the wholesale dole.

Prime Minister Attlee said he could not forecast how soon the industrial crisis would end, and indicated spring might come before homes in the affected areas could return to normal power consumption.

The homes, many of them dependent in part on electricity for heat, had to forego the use of electricity for five hours daily beginning today, while industries in 38 of the 64 English and Welsh counties had to suspend operations entirely.

"As soon as there are reasonable stocks of coal at the power stations," Attlee told the house of commons, "the first step must be to restore power for industry."

Affects Stock Exchange  
On the stock exchange, industrial shares fell 20 to 60 cents, but there was no panic and the reaction there failed to bear out some quarters' pre-opening expressions of gloom.

The labor government, which converted the coal mines from private to state ownership Jan. 1, called the coal conservation measures necessary to avert "complete disaster."

The crisis depressed share on the stock exchange, where some brokers spoke of an "industrial Dunkirk."

Slightly higher temperatures eased momentarily one of the most severe cold waves of the winter, but the forecast was for colder.

Most industries and households appeared to be obeying the government directive to throw switches voluntarily on lines where demands for essential services prevented a complete shutdown at the source of supply.

Confusion and chaotic conditions prevailed in many areas. Nearly everywhere, electric current use was cut sharply.

Salem Firm's Tax Charge Upheld By Appeals Court

CINCINNATI, Feb. 10.—The Sixth U. S. Circuit court of appeals today upheld decisions of the U. S. Tax court which ruled that the National Sanitary Co. of Salem, O., was deficient a total of \$13,873.07 in income taxes for 1937 and 1938.

## NINE NURSES ARE CAPPED

Capping Exercises Held At City Hospital Nurses Home Sunday

Capping exercises, signifying acceptance into the School of Nursing, was held for nine Salem City hospital students at 3 p. m. Sunday in the Nurses home. They began their training last September.

Miss Hester Willis, director of nurses, presented the caps in an impressive candlelight ceremony to the following students:

Patricia Arter, R. D. 2, Leetonia; June Gaydos, R. D. 3, Lisbon; Elaine Hadley, Deerfield; Catherine Hardie, R. D. 4, Lisbon; Louise Mackey, East Liverpool; Velma O'Neil, Franklin st., Salem; Shirley Rowley, R. D. 1, Lisbon; Jane Sheehan, Salineville; and Dorothy Strohecker, R. D. 7, Mahoningtown, Pa.

Miss Loujean McDevitt, junior cadet nurse, played the processional and recessional.

Miss Marian Wood, senior cadet class, lighted the candles, while a vocal selection was given by a group of student nurses.

Talks Are Given  
Walter F. Bailey, hospital superintendent, gave a brief talk, and congratulatory remarks were offered by Mrs. Caroline Limestahl, nursing arts instructor, and Miss Mary Schmitzer, clinical instructor.

A tea was held. The table was centered with a bouquet of red roses, the class flower, and decorated with green and white tones, the class colors. Mrs. Limestahl and Miss Schmitzer poured.

Mrs. Helen Eberwein, City hospital librarian, and Mrs. Beatrice Trotter, dietician, assisted. Approximately 50 attended, including the families of the students, and hospital staff.

Applications for the fall class are being received. Young women interested may apply at the training school office.

## Italy Reduced To Third Rate Power

(By Associated Press)  
PARIS, Feb. 10.—Italy signed sadly and silently today a peace treaty reducing her to a third rate power, stripped of colonies, indebted by reparations, her homeland reduced and her army and navy cut to a relative shadow.

Yugoslavia, which will obtain a slice of the coveted Venezia Giulia but not the port of Trieste which will become a free city, reversed herself and signed the treaty after protesting the boundary agreement.

Italy, paying for the crimes of Mussolini and Fascism, was the first of five Axis nations to sign treaties which, when ratified, will end World War II for all the world except Germany, Japan, Austria and Korea.

Following Italy, Romania, Bulgaria, Hungary and Finland inked treaties with up to 20 Allied nations. The United States had a part in all the accords except that of Finland, which the United States never was at war.

Italy lost Eritrea, Somaliland and Libya, her Italian colonies, and was forced to recognize the independence of Ethiopia and Albania. The Doctoresse islands went to Greece. Small areas on her western frontier went to France.

She was ordered to pay \$360,000,000 in reparations.

Mother At Girard Kills Baby, Wounds Other Child, Self

GIRARD, Feb. 10.—Trumbull County Sheriff Ralph Millikin today sought a motive for the slaying of the two-year-old daughter of Mr. and Mrs. Garritt Heston, who was found in the bedroom of the Heston home early yesterday with a rifle bullet in her chest.

Sheriff Millikin said the mother, Mrs. Margaret Heston, 35, had confessed she shot her two-year-old Theresa, another daughter, Margaret Mary, 3, and then turned a .22 caliber rifle on herself.

Mrs. Heston was in critical condition. Margaret Mary is reported in fair condition.

The sheriff said he was unable to question Mrs. Heston.

Two-year-old Theresa was found dead in her crib with a bullet wound in the right breast and her sister, Margaret, in a second crib.

The husband and father discovered the tragedy when he returned home about 4 a. m.

Heston, 39, told police that he and his wife had argued about his going out at 1 a. m.

## Gil Dodds Studies For Career As Youth Leader

BOSTON, Feb. 10.—Gil Dodds, the "flying person" of the track world, says he may never be ordained as a minister although he intends to carry on as a preacher.

"I want to be just Gil Dodds, not the Rev. Mr. Dodds," the ace miler told a congregation at the Ruggles Street Baptist church.

Dodds is now studying for a M. A. degree in Christian education at Wheaton college, Illinois, looking forward to a career working among the nation's youth.

Dodds feels that God destined him to be a great runner as part of a divine plan.

## BRICKER MAY EXCLUDE SELF

Expected Action Focuses Attention On Vandenberg, Taft Split

(By Associated Press)  
WASHINGTON, Feb. 10.—The possibility that Senator Bricker would narrow the field of Republican presidential possibilities this week focused fresh attention today on widening policy differences between Senators Taft and Vandenberg.

Friends of the former Ohio governor said Bricker may announce in Columbus Thursday that he thinks Taft should be the state's favorite son choice in 1948.

They added if the announcement it not forthcoming then, when both senators will confer with Ohio party leaders, it will be made later.

The tact understanding that Bricker is eliminating himself from preliminary consideration for the nomination leaves only Taft and Vandenberg in the senate as first rank 1948 possibilities.

Several other senators have been mentioned, but few politicians credit them with the opportunity to grab off the top spot.

## Vandenberg Not Clear

Vandenberg told a Grand Rapids news conference in advance of his speech to the Michigan State Republican convention Saturday that he is not a candidate for the GOP presidential nomination, doesn't expect to be and has no wish to be. He added, however, that a man would be "entirely numb if he were insensitive to the compliment the suggestion implies."

Politicians generally regarded this as a cautious statement which did not take the Michigan senator out of the race. Taft has said only that he is not an "active" candidate for the nomination.

Vandenberg's address to the state convention laid down a program which on most domestic points parallels the one Taft has been sponsoring as chairman of the senate Republican policy committee. But there is evidence that the two men, who actually dominate Republican activities in the senate, are diverging over the issue of international economic cooperation.

The Ohio and Michigan senators also are likely to come to a parting of the ways on how much aid should be extended to foreign countries.

## LIONS PLAN FOR SPECIAL MEETINGS

The Lions club has completed plans for two special meetings, a Ladies Night program Tuesday, Feb. 18, and a stag party on Feb. 25.

Deputy District Governor William Hinkle of Akron will present key awards Feb. 18 to members for their work during the past year. New members will be recognized.

The committee in charge of the stag includes Cloyd Reynard, Larry Logue, Nick Vacar and Dana Flooding.

Both meetings will be held at Grady's restaurant.

Don Cannon is program chairman for the Lions club regular meeting tomorrow evening at the Lape hotel.

## Restaurants' Use Of Gas Curtailed As Cold Continues

With half of Columbiana county's rural schools closed on account of heavy snow drifts which have covered the roads in many districts, Salem today dug in against another cold wave expected to follow the blizzard that last week depleted gas fuel supplies to critically low levels and slowed auto travel to a crawl.

School buses carrying rural students were unable to get through county roads today as a high wind piled snow as high as 10 feet in many places.

Among the schools shut down today were all those in Center township, all in Beaver township, excepting Elkton and Calcutta, and the New Waterford, Fairfield, West Point, Rogers, Clarkson and Hanoverton schools.

Several, including the Oak Grove school between Negley and Fredricktown could not be contacted, according to W. E. Roberts, county school superintendent.

Many Mahoning county schools were closed, including Goshen. All schools in Geauga county were closed today, as were 18 in the Youngstown area.

## Ban Affects Restaurants

In a move to conserve the city's low gas supply, Arch Harwood, district manager for the Natural Gas Co. of W. Va., ordered all restaurants, hotels and bakeries to curtail their use of the fuel to a minimum so that houses could be heated.

Local police, enlisted by the gas company, made a check Sunday night on all such establishments to see that gas was used only in the making of coffee. Cold lunches were on menus, as no hot food can be served.

Several restaurants closed, following the order. Some managed to serve hot lunches, cooked on electric hot plates.

Harwood said pressure in Salem is down 2½ ounces from a normal pressure of six to six and a half ounces. Pressure on some of the outlying outlets is very weak, he added.

Girl Is Overcome  
Weak gas pressure was reported to have caused a girl employee of the Salem Cab Co., N. Ellsworth ave., to have been overcome Sunday night. A company driver found the girl unconscious.

Industrial unemployment in the state due to the gas shortage was estimated today at 40,000.

In a proclamation issued Saturday night Gov. Thomas J. Herbert asked Ohioans to conserve gas until the emergency was over.

The gas companies requested manufacturers and householders to save all the fuel possible.

In the Cleveland area, industrial spokesmen said nearly 90,000 workers were idle in 800 northern Ohio plants due to the gas shortage.

Use Snowplow On Streets  
Salem streets were in shape today, with snow piled heavily along the sides and forming ruts, where the bulk of the traffic passed. Service Director Frank Wilson had service department workers out this morning scraping snow from some of the more badly drifted streets.

The worst was Franklin st., near Grandview cemetery, where large drifts permitted only one-way traffic.

Winds drifted snow on some rural roads car high.

No relief was in sight for Ohioans, as a fresh blast was reported coming from Canada, but the state was promised a breathing spell with somewhat higher temperatures today.

13 Above Is Minimum  
The prediction held true in Salem as noon readings showed the mercury at a high of 19 degrees, with a minimum of only 13 above. The temperature hit a low of 3 above Sunday and ranged up to 13. Snowfall was light, with a total precipitation of only .08 inches recorded here today.

A few roads in Lake and Geauga counties were open, with the others "hopelessly blocked" by snow, the state highway department reported. Drifts measured seven to 10 feet.

Mrs. Edward Evans, 56, was found dead on the porch of her home in Mineral Ridge, Trumbull county, yesterday presumably a victim of exposure.

The snow measures 18 inches in Chardon and the state highway department warned the majority of Ohio highways were icy and snow covered. Temperatures, the warning said, ranged from four degrees below to 18 degrees above zero.

COLUMBIANA PLANT OPERATING AGAIN

COLUMBIANA, Feb. 10.—The Electric-Metallurgical Co. of New York has put in operation again its Columbiana plant, which had been idle since October, 1945, following the end of the war.

The plant produced vanadium, obtained by smelting, an element in the manufacture of steel, which it distributes over a wide area. The plant is under the management of J. J. Martin and employs 30 men.

## SLOW RISE IN MERCURY SEEN

Warmer Temperatures In West Gives Hope Of General Relief

CHICAGO, Feb. 10.—Winter continued to bring discomfort to most of the nation today, but a slow rise in temperatures in the Central Plains gave hope that relief was on the way.

Forecasters at Chicago said a gradual rise in temperatures was taking place in the midwest, and would continue for two or three days.

The Chicago weather bureau said that Jacksonville, Fla., reported an early morning low of 27 degrees, and Orlando 32 and Miami 44. Light frost was probable for the entire state, except Miami.

Sleet was reported at Orlando and Daytona Beach yesterday and snow was reported to have fallen near Ocala and at Sanford. For the second time within a week all schools in Dade county (Miami) were ordered closed because of the lack of heating facilities.

The southeastern states were in the grip of the most unseasonal weather in the nation. At Vicksburg, Miss., the mercury dipped to an early morning low of 20 degrees. Memphis, Tenn., had 17 degrees, Nashville 12, Atlanta 16 and Lake Charles, La., 28.

More than 100,000 workers in western Pennsylvania, West Virginia and Ohio have been laid off their jobs because of the fuel shortage.

CLEVELAND, Feb. 10.—A rotary snow plow was dispatched today to aid in attempts to rescue 34 Boy Scouts marooned in two farm houses near Chardon in neighboring Lake county.

The scouts, all from Cleveland, made their way to the homes yesterday after spending Saturday night in three Quonset huts at a nearby scout camp.

ERIE, Pa., Feb. 10.—Eight-foot snow drifts blanketed northwestern Pennsylvania today with all public and parochial schools closed, food deliveries curtailed and scores of automobiles stalled in the middle of highways.

Sixteen persons, including two little girls, were marooned by drifts last night in the state police barracks on the Peninsula state park.

## 3 CHILDREN DIE WHEN HOME BURNS

ELYRIA, Feb. 10.—Three youthful daughters of Mr. and Mrs. Adrian L. Read perished early today when fire destroyed their two-story frame home just east of here.

Read, 38-year-old employee of the Elyria Foundry Co., saved their three other children by dropping them from a second story window to his wife, Ruth, below.

Swiftly enveloping flames prevented him from reaching the other three in their home, however.

The dead: Clarabelle, 15, June 9, and Laverne, 7.

Firemen said the blaze apparently started upstairs, but they were unable to immediately determine its cause.

Read fell through a second story window when driven back by flames, but suffered only minor burns and injuries.

The three rescued children, girls aged 17, 13 and 6, received second degree burns.

## Once Was Enough

Overwhelming support for a proposed constitutional amendment limiting chief executives of the United States to two four-year terms has revealed a significant state of mind in the House of Representatives. Not a single Republican member of the House wants to leave the door open to a chief executive of his own party with ideas about as many presidential terms as Franklin D. Roosevelt served, and their opinion is shared by a sizable bloc of Democrats. The fact is, looking back over the circumstances of Mr. Roosevelt's precedent-shattering bids for third and fourth terms, most citizens of this country can find many reasons for believing once was enough. Nothing in the record to date invites a recurrence of the experience—an observation which has relatively little to do with Mr. Roosevelt's executive leadership.

The great damage was done inside his political party, which failed to generate new leadership for the simple reason that no other leader had a chance to compete with Mr. Roosevelt himself. Once it became plain he intended to run for a third term—a fact known to insiders long before the public found it out—all other Democrats with aspirations for party leadership were through. When Mr. Roosevelt died, the party had no leadership ready; Mr. Roosevelt had made no provision for the continuation of anything except his personal position.

Republicans are back of the proposed constitutional amendment that would keep this from happening again, but Democrats are back of the Reunite. They know best what happens to a political party that puts all its political eggs in one basket.

## Dropping The Mask

It is good to know that Democratic Chairman Hannegan has thrown Democratic President Truman's hat into the ring for 1948. It breaks the suspense. The hint that Mr. Truman didn't know that the hat was being thrown is tactical stuff, to keep him from seeming over-eager.

There has been no recent doubt of Mr. Truman's intentions, but only doubt of what he would do to express them. It was a safe bet he'd be a candidate for the Democratic presidential nomination in 1948, but no one could be sure how his candidacy would be presented.

It now appears that Mr. Hannegan, who is recovering his health after the unhealthy experience he had last November, will manage the ceremony. The first move is to drop the mask and admit that Mr. Truman is what he is—a party man catapulted into the presidency and a man who, as leader of the party, intends to make the most of his opportunity. Mr. Truman now will quit saying that he doesn't want to be president; that he may give it up voluntarily after his current term is over; that he would welcome a replacement.

He will do his personal part to put the United States back on the two-party track. He will be running from now on to succeed himself. The Republicans will be trying to keep him from improving his chances of succeeding himself, just as he will be trying to keep the Republicans from improving their chances. These are things the people can understand. This is the shape of things as they are. As in many other things, the United States is tired of kidding itself and of being kidded. Harry Truman is now running for the presidency.

## Calculated Contempt

FBI Director J. Edgar Hoover has earned public confidence with his handling of national security problems during wartime. His request for the deportation of Gerhard Eisler, whom he believes to be the chief agent of the Comintern in this country, is a major act of public policy, not to be taken lightly because it was not decided lightly.

Eisler's calculated contempt for the House un-American activities committee is not to be taken lightly either; committee members were unanimous in citing him for contempt when he refused to give sworn testimony after being refused permission to issue a statement. No one even remotely aware of what is at stake will fail to see the beginning of a maneuver to strangle the government in the rope it provides for the accused in this free country.

If Eisler should be what Director Hoover thinks he is—the key man in the American division of the organization set up to overthrow existing governments in the name of Communist revolution—his maneuvers may well be one of the most significant events in Washington this year. The public must hope that the un-American activities committee, which never has been asked for acumen, will be up to the responsibility of handling this star witness.

## The Stars Say

For Tuesday, February 11

WHILE there are auguries of an exceptionally active, interesting and productive day, as well there are portents of obstacles, postponements and other depressing circumstances or impediments, which must be handled with unusually clever, astute, shrewd and persistent endeavors. Carefully considered changes, new tactics and smart maneuvers should gain surprising success. Such may call for some festivities or other functions of a personal nature. In fact friendly, social or sentimental relations may be at the root of such bright turn of events or final issues.

## On the Birthday

Those whose birthday it is may be justified in looking forward to a chain of events starting out with a depressed and frustrated state of affairs, eventually turning congested or static conditions into genuine gain and enduring success, with much private gratification. A shrewd analysis and evaluation of obstructing circumstances, with probable change of techniques, maneuvers or even travel or new environs, might move things into a constructive channel. The mentality may be keen as a factor for new performance, and the use of purely personal, social or professional contacts may be employed to great advantage and final satisfactions.

## "T' Heck With It!"

## GUARDING YOUR HEALTH

## A Test That Aids Diagnosis

BY HERMAN N. BUNDESEN, M.D.

WHEN illness comes on, the body has certain distress signals to indicate that trouble is brewing.

A temperature above normal, a pulse which is too fast or too slow, say as plainly as words could say that something is wrong. Unlike words, however, they cannot tell exactly what is the matter.

A test known as the blood sedimentation test may afford the doctor a slightly more specific clue, telling him whether or not he should be on the outlook for infection.

## In Small Tube

This test is carried out by putting blood in a small tube and noting how rapidly the red blood cells settle out of the fluid part of the blood. If the settling rate is normal, it is unlikely that any active infection is present in the body.

The rate is seldom increased in healthy persons except during pregnancy. Normally, the rate is slow in infants. It increases during the maturing period and then declines until old age when the rate may rise again.

There are certain severe infectious such as acute bronchitis, syphilis, malaria and the catching diseases of children which increase the sedimentation rate.

It has also been found that in colds, the sedimentation rate is rapid. In fact, it is increased to such an extent that it may suggest a more serious condition.

Middle-ear infections, sinus infections, and lung infections all greatly speed up the rate. However, it does not appear to be affected by such things as boils or appendicitis. In most tumor growths, also, there is no change in the sedimentation rate.

Rheumatic Fever is especially helpful in following the course of rheumatic fever, a condition in which there are damage to the heart and pain and swelling in the joints.

When the rheumatic infection is active, the sedimentation rate is also increased. As the infection

subsides, the rate gradually returns to normal.

When there is some question in the physician's mind as to whether or not an active infection is present he will often suggest that the sedimentation test be carried out which will aid in the diagnosis.

The test is not difficult to make and often gives important information to aid in the treatment of the patient.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th st., New York City.

## Rare Eating Habits Solve Zoo Puzzle

PHILADELPHIA—Warren Buck, Camden, N. J., animal dealer, imported a rare animal and sent it to the Philadelphia Zoo with the following note: "Here's a new one on me. Maybe you know what it is." Zoo officials weren't puzzled long. It was a dinosaur's trunk. They were sure of it, once they fed the animal. It sits erect on its hind legs while eating.

"Something like a human being," zoo officials said.

## Files Information For Murder Trial

LISBON, Feb. 10. — Prosecutor Frank Springer has filed a bill of particulars in the case of Erwin Brown, charged with murder in the first degree for the Dec. 14 slaying of his wife, Beulah Brown, and Brady Fetty in a waterfront rooming house in East Liverpool.

The bill of particulars, submitted at the request of Brown's defense counsel, sets up specifically the nature and time of the offenses charged, as follows:

"That Erwin Brown on Dec. 14 at the residence of Ada Hall unlawfully and purposely shot and killed Brady Fetty and Beulah Brown with a .38 caliber revolver between 10:40 and 11 a. m.

"That said killing of Brady Fetty and Beulah Brown was with deliberate and premeditated malice, in that said Erwin Brown having spent the night prior to the killing in the city of East Liverpool, took a bus to his home in Irondale, procured the .38 caliber gun and immediately returned to East Liverpool where he went directly to the home of said Ada Hall and then and there shot and killed Brady Fetty and Beulah Brown."

Brown's trial on the double murder charge is scheduled to open in the common pleas court here Feb. 24, when Prosecuting Attorney Springer is expected to introduce Mrs. Brown's dying statement that her husband had shot her and Fetty as she went to the latter's room to awaken him.

## Experience

## Backs Record-Breaking Performance

"The Voice with a Smile" is busier than ever, but it hasn't lost its skill.

With the volume of long distance calls at a new peak—more than double the number in 1940, and with an increasing number of local calls, an expanding force of operators is doing the biggest telephone job in history.

Back of this accomplishment is a group of women, whose collective experience adds training and skill to the enthusiasm of young, alert operators. Of a total traffic force of 8,400 women, 1,000 of them have 20 years or more service and close to 500 have more than 25 years service.

It is this group of experienced women who have made the phrase "The Voice with a Smile" famous and who can be relied upon to keep this nation's telephone service the best in the world.

## Smith-Morris Vows Heard In East Fairfield Church

Before an altar of palms and candles, Rev. C. A. Richardson performed a double ring ceremony in the East Fairfield Methodist church at 6:30 p. m. Saturday which united in marriage Miss Elizabeth Smith, daughter of Mr. and Mrs. Albert Smith, Cavers rd., West Point, and Frank Morris, son of Mr. and Mrs. John Morris of Signal.

Mrs. Gertrude White of Columbiana gave a short recital of wedding music before she played the Bridal Chorus from Lohengrin, which announced the approach of the bride party.

Miss Evelyn Morris of Alliance and Miss Evelyn Albright of East

Fairfield sang, "Indian Love Call" and "Moonlight and Roses." Miss Morris also sang "The Lord's Prayer" before Mendelssohn's wedding march was played for the recessional.

**Wears White Taffeta**  
The bride, given in marriage by her father, was dressed in white taffeta, with an overskirt of net. She wore a two-strand pearl necklace. She carried a white Bible topped with a white rosebud tied with shower ribbon.

Mrs. Hanna McGill, sister of the groom, was maid of honor, and the bridesmaids were Miss Dorothy Buckley, cousin of the bride, and Mrs. Evelyn Smith.

Charles Smith, brother of the bride, was best man. Paul Smith, brother of the bride, Carl Morris, brother of the groom, Charles Williams, nephew of the bride, and Ralph Anselk ushered.

The maid of honor wore a gown of yellow net with a corsage of blue carnations. The bridesmaids wore gowns of blue lace and taffeta with corsages of yellow carnations.

Marilyn and Shirley Mazill, flower girls, were dressed in blue and pink net.

Mrs. Smith, mother of the bride, appeared in black crepe with a corsage of yellow carnations, while Mrs. Morris, was attired in a rose dress with a corsage of white carnations.

**Reception Is Held**  
A reception was held at the home of the bride's brother, Charles Smith, for 125 guests. Mrs. Clementine Kirby, Mrs. Evelyn Harrison and Mrs. Paul Beery of Salem and Mrs. Evelyn Bowling and Mrs. Elizabeth Hendricks of Lisbon poured.

The couple left Saturday evening on a honeymoon trip to Key West, Fla. Upon their return they will reside near East Fairfield.

For traveling the bride wore a three-piece beige suit. Her corsage was of white rosebuds.

The bride is employed in the office of the Mullins Mfg. Corp.

Mr. Morris is associated with his father in the auctioneering business.

**Birthday Dinner Held For Donald Lee Kuhns**

Mr. and Mrs. Elmer F. Kuhns of W. Sixth st., entertained at a dinner Saturday evening to celebrate the second birthday anniversary of their son, Donald Lee.

Patriotic decorations decked the table graced by a birthday cake. Ronald was presented gifts.

Mr. and Mrs. Wilson French of Worland, Wyo., were among the guests.

**Trinity Class Plans Wednesday Dinner**

Members of the I. H. S. class of Holy Trinity Lutheran church will hold a coverdinner at 6:30 p. m. Wednesday at the church. Families of the members will be invited.

Entertainment is being arranged.

**Feted At Birthday Party On Ninth Anniversary**

Gail Ann Loschinsky delightfully entertained 15 friends Saturday afternoon at her home, W. Second st., the occasion being her ninth birthday anniversary.

Contest prizes were won by Elaine Hundertmark and Barbara Dickey, while Bonnie McIntire was presented a game prize.

Valentine decorations enhanced the lunch table ornamented with a decorated cake. The favors were novelty baskets filled with candy.

Mrs. Wayne Loschinsky, mother of the hostess served lunch, assisted by Mrs. Edward Erickson, Gail's grandmother.

The honoree received many gifts.

Miss Mary Longenecker and Miss Miriam Clark, student nurses at the Huron Road hospital, Cleveland, spent the weekend with their parents in Columbiana.

Paul Rober, student at Asbury college, Wilmore, Ky., spent the weekend with his parents, Mr. and Mrs. Raymond Rober, Newgarden st.

Mrs. Anna Farmer of Bluffton, Ind., formerly of Salem, is spending a few days with relatives. She came to attend the funeral of her cousin, Mrs. Charles Moff.

## Fashion Scene In Print

Spring print dresses and ensembles escape commonplace design with subtle, abstract motifs or lively rural scenes. In the dress, left, the beauty of pure silk is pointed up by the delicate pastel abstract motif. Frou frou black lace fills in the decollete neckline. A "Farmer in the Dell" design in gold, gray and green on white rayon crepe makes the dress, right, and lines the boxy jacket.

Headlining current dress collections are artist-signed prints, such as the one above which adapts Waldo Peirce's water-color "Trout Fishing" in brown on white rayon crepe. Two finely pleated flounces encircle the skirt and a third makes capelet for the off-shoulder neckline.

### Duff-Shuttrump Vows Exchanged

Miss Ruth Kathryn Duff, daughter of Mr. and Mrs. Walter L. Duff of Leetonia, and Arthur Shuttrump, son of Charles Shuttrump of Youngstown, were the principals in a lovely wedding at 9 a. m. Saturday in St. Joseph's Catholic church, Youngstown.

White gladioli, snapdragons and pompons amidst ferns, irradiated by athedral candles, made the setting. Rev. John H. Lenz officiated at the high mass and performed the double ring ceremony.

The couple are motoring to Florida for a month's honeymoon, after which they will reside at 2504 Market st., Youngstown.

In the bridal procession were Miss Victoria Mancuso of Leetonia as maid of honor and Miss Margaret Duff, sister of the bride, and Miss Florence Shuttrump, niece of the bridegroom, as bridesmaids.

Miss Mancuso's gown was a maize taffeta and with it she wore a matching halo and long gloves and carried a crescent bouquet of blue carnations.

Miss Duff, a student at Mt. Union college, and Miss Shuttrump, a student of St. Mary of the Springs college, were gowned alike in delphinium blue and shell pink gowns with matching accessories, and their flowers were yellow and pink carnations. Fred Shuttrump Jr. was his uncle's best man, and ushers were the bridegroom's nephews, George and Victor Shuttrump Jr.

A wedding breakfast for the immediate families and bridal party was served at the Colonial room of the Mahoning Country club.

Mrs. Shuttrump attended Youngstown college and is on the reference staff of the Public Library. Mr. Shuttrump is associated with his father in business.

**Saxon Women Hear Letters From Abroad**

Three new members were added at a meeting of the Saxon Women's club Sunday afternoon at the hall.

The women have sent 27 boxes of food and clothing to Austria and some of the letters replying to these gifts were read at this session. More boxes will be sent and members can leave articles any time at the hall.

Games were played. Lunch was served by Mrs. Andrew Drotlett, Mrs. John Huber, Mrs. Martin Webber, Mrs. Peter Herman, Mrs. Katherine Liebhart and Mrs. Mary Lowry.

The next meeting will be held March 9.

### Deafened Now Hear With Tiny Single Unit

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music and friendly companionship.

Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes.

The makers of Beltone, Dept. 5733, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. # BOY SCOUTS SHOW GROWTH

Columbiana County Registration Shows 18 Percent Increase

The Columbiana County Boy Scout council at the close of the year had 2,053 men and boys serving through scouting. Scout Executive Don Gay reported today.

Registration at the close of 1946 also showed an increase of 18 per cent over 1945.

The Boy Scouts of America topped the two million mark in active membership for the first time on Dec. 31, 1946. It was announced by Dr. Elbert K. Fretwell, chief Scout executive.

There were 2,053,397 boys and adult leaders in its membership at the close of 1946. Dr. Fretwell said. This represents a 4.3 per cent gain over the 1,977,463 membership on Dec. 31, 1945.

The boy membership now stands at 1,532,269, representing a 1.3 per cent gain over the previous year. Making this total are 1,054,770 Boy Scout and Senior Scouts and also 488,800 Cub Scouts, boys of the pre Scout age of 9 to 11.

**Increase in Leaders**

A great increase is also recorded in the volunteer adult leadership in the movement. There are now 507,777 adult leaders, a gain of 14.9 per cent over the previous year when there were 443,745 leaders.

The number of Cub Packs, Boy Scout troops and Senior units now stands at 66,207 an 8.5 per cent gain over the 61,026 figure at the end of 1945. Making this total are 50,333 Boy Scout troops and Senior units, a 7.3 per cent gain, and 15,884 Cub Packs, a 10.5 per cent gain over the previous year.

Since the Boy Scouts of America was established Feb. 8, 1910, a total of 13,500,000 American boys and men have been identified with the organization.

## Smart Dog Plays Piano When He Wants Dinner

ARDMORE, Okla.—The Woodrow Andersons have a canine musical genius in Topper, their screwtail Boston bulldog.

Topper has learned the best way to get fed quickly is to jump onto the piano stool, place his front paws on the keys and make some noise.

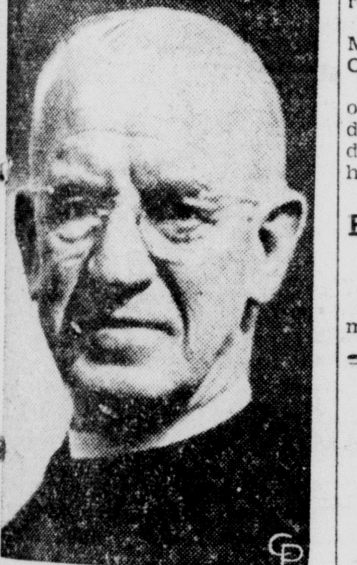

The only catch to this genius business is that occasionally Topper gets hungry in the middle of the night, and the Andersons are awakened by a furious plink-plank-plink. It keeps up until one of them gets up and feeds the dog.

## Headless Rooster Dies

ASHTABULA, Feb. 9.—"Jim" Ash-tabula's famed headless rooster, died yesterday—39 days after he was to have been dressed and cooked for a New Year's day dinner.

John Harrison apparently failed to sever a vital nerve when he chopped off the rooster's head, and the bird spent New Year's day scuttling around the chicken pen. Harrison kept it alive by forcing corn down its gullet. He plans to have "Jim" mounted.

### Home-Made Seismograph Records Earthquakes

NEW KENSINGTON, Pa.—Home-made seismographs which record

earthquakes visibly and cost only \$2 a month to operate—one-twelfth the expense of maintaining the photographic type—have been developed by Fred Keller of New Kensington.

The machines magnify the tremors up to 100,000 times in intensity and are the only ones of high magnification now in use, Keller said.

A metallurgist by vocation, Keller perfected the recorder, in which the Geodetic Survey has become interested, in pursuit of his hobby of studying earthquakes.

## MANNHEIM NOW CRIME CAPITAL OF GERMANY

(By Associated Press)

MANNHEIM, Germany.—Tossing their victims into the Rhine in a year-long reign of murder, smuggling and sex crime, lawless gangs of international hoodlums have turned this ruined city into post-war Germany's "crime capital."

Violence and robbery rivaling Chicago's bootleg era, American and German police said, hold Mannheim in terror—although at least 12 gangs have been smashed.

Gangster — Germans, Poles, Russians and men without countries—are costing the U. S. government thousands of dollars a day by organized looting of American army depots, and American troops have not been left unrobbed. White and Negro troops also have robbed and assaulted.

Hundreds of criminals are in jail. Hundreds more are sought by American and German authorities.

### Dubbed "Little Cicero"

Mannheim's crime, American officials said, centers around a smoky, dirty harbor area known as Rheinau and dubbed "Little Cicero" by Americans.

Gangs which kill, carouse and clash among themselves in Rheinau use the area as a base to plunder Mannheim's dozens of American supply depots—the most concentrated in Germany. Three thousand freight cars daily carry food and equipment from the harbor and freight yards to all parts of the U. S. zone.

In the past few months, American and German police, together with French gendarmes across the Rhine, have:

Found 10 bodies nude and bound in the Rhine—apparent victims of the gangs;

Fought four reported murders in a month, including ax slayings and street killings and investigated a number of assaults of German police and depot guards;

Fought gun battles on the Rhine with armed smugglers shipping U. S. goods across the stream to the French zone;

Broken up a mob hijacking car-cads of army supplies, smashed dope rings, black market gangs and organized prostitution rackets.

Last month more than 1,900 girls were picked up for prostitution. Of

## A Weak, Run-Down Feeling Is Often A Warning

### That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

## WINONA

There were about 60 in attendance at the luncheon held in the Methodist church dining room Wednesday for members of the Women's Society of Christian Service and their guests.

The program was in charge of the president, Mrs. Willard Cope. Devotions were conducted by Mrs. Richard Stamp. A feature of the program was a "shower" for the church kitchen.

Mrs. Howard Morgan, program chairman, used the topic, "Children" and led a discussion on the W. S. C. S. project for the year, which is the development of a community playground.

The land for this has been donated by Mr. and Mrs. S. H. Bennett as a memorial to their son, Glen Bennett who was killed in overseas service.

The next meeting will be a covered dinner March 5 at the home of Mrs. Leedom Cope.

Mrs. H. S. Gamble is ill. E. Y. Gamble, who has been ill, is improving.

Mrs. Andrew Zeppernick is ill. Sallie Willis, who spent several days in the Salem hospital recovering from injuries received in automobile accident, has returned home.

"Give a person a new pen or pencil to try out for writing qualities. Invariably they will write their own name. All of us seem to be endowed with natural pride when it comes to the chosen words bestowed upon us which we call our 'name.' When we think of a name, we think of a person. When we carve a name in granite, we continue the influence of that person for many generations."

Average Price of Home Electricity is 2.7¢

When Thomas Edison opened the first electric power plant in New York City in 1882, electricity sold for 25¢ a kilowatt hour. This year, as we mark the 100th anniversary of the great inventor's birth, the average price of household electricity over the nation is 3 1/3¢ a kilowatt hour. In the Salem area it averages 2.7¢.

Residential electricity has declined steadily in price year after year. Even during World War II and after, when prices of most items that enter into the cost of living went up, the price of electricity came down—and stayed down. In fact, since 1935 living costs have advanced 53% while the average price of household electricity in the Youngstown Division of Ohio Edison Company has dropped more than one-third.

This domestic bargain took plenty of practical planning and technical skill on the part of your friends and neighbors in this Company, under sound business management. You helped, too, by your increased use of electricity.

# Salem Figured To Have Easy Time Winning Over Bengals

## Wellsville Record Shows Only Three Victories In 16 Starts; Floor Large

Salem's Quakers, who hit their highest scoring spree of the season Friday, and Wellsville's Bengals, who hit their lowest mark of the year the same night, will clash at Wellsville Tuesday night in what should be a walk-away for the Quakers for Victory No. 13 in 14 attempts.

Wellsville, with only three victories in 16 games, is at present at the bottom of the heap with little apparent chance to rise.

Last week, for instance, the Bengals took a 62-19 drubbing from East Liverpool and then absorbed a 77-19 beating from Little Chester on Friday night.

Coach George Rebich has little scoring power in his Bengal club, but generally rates his defense maneuvers fairly well.

Salem and Wellsville tangled

here on Dec. 13 with the Quakers winning 48-31 in their second game of the year.

The opportunity again presents itself for the locals to get experience on large floor space. Wellsville's comparatively new gym is as large as East Liverpool's, featuring a solid blocked floor.

Coach Rebich will probably start about the same lineup he used against Salem here in December.

Bill Rish and Henry Taylor fill the forward spots, Jerry Mason at center and Jim Thrasher and Thelma Taylor the guards.

Thrasher, incidentally, is credited with the highest point total made against Salem this season. He netted six field goals and five fouls for 17 points in the Salem gym.

Coach Miller is expected to start Francis Lanney and Virg Kelly at forwards, Bob Payer at center and Jim Laughlin and Capt. Tony Martinelli at guards.

Miller will probably again concentrate on the fast break which he expects to be of value in the approaching tournament. With Tommy Miner, Pete Cain and Carl Ciccozi slated for sub action, the tilt will benefit all in experimental play.

The reserve game begins at 7:30 and the varsity at 8:30. General admission seats will be on sale at the gate. Plenty of seats are available, Wellsville officials report.

## DUQUESNE BEATS AKRON TO REMAIN UNDEFEATED TEAM

### Only West Virginia And Dukes Are Untouched; Kentucky Is Beaten

NEW YORK, Feb. 10.—West Virginia and Duquesne remained the only undefeated teams in the country today as the college basketball circuit swung into the final four weeks of the regular campaign.

In a week marked by astonishing upsets, the Mountaineers and Dukes managed to stay upright, West Virginia winning its 12th straight with a 54-41 triumph over Pittsburgh Saturday night and Duquesne chalking up its 15th in a row at the expense of Akron 58-49 the same night.

Five other previously unbeaten quintets, Seton Hall, Kirkville (Mo.) Teachers, Washington and Jefferson, Trinity of Conn., and Alabama, bit the dust for the first time.

Kentucky, generally regarded as the nation's No. 1 quintet, suffered an amazing 53-47 shellacking from DePaul of Chicago.

The Oklahoma Aggies, only other team to upset Kentucky, virtually lost all chances of receiving any tournament bids when they were upset twice, by Drake 42-34, and by Kentucky, 40-31.

## Wins Bowling Tourney

CHICAGO, Feb. 10.—After 2,176 of the country's top bowlers fired 17,408 games in 18 days, Buddy Bomar of Chicago finally emerged with a diamond studded medal and \$5,000 in cash as winner of the \$54,400 Petersen individual tournament.

Bomar's blazing aggregate of 1,750 pins, posted last Friday, withstood the efforts of some of the nation's best shooters on yesterday's final squads.

## "I MAY RETIRE" IS GREENBERG'S LATEST STATEMENT

### Says He Planned To Finish Career With Detroit. Had Mind Changed

NEW YORK, Feb. 10.—Hank Greenberg probably has hit his last home run.

The end came with shocking suddenness yesterday. A few hours before the mighty slugger was expected to sign a contract with his new club, the Pittsburgh Pirates, Hank called a handful of reporters to his swanky east side apartment to say he was "considering retirement" as an active player.

Although Greenberg left the door open by using the word "considering" instead of announcing an outright retirement, insiders believed he never again would appear as a player.

President Frank McKinney of the Pirates said Greenberg's contract was purchased from the Tigers in good faith and that deal stands as first consummated.

Greenberg made it plain that money was not a factor. In fact, he insisted the Pirates, who bought him for a reported \$40,000 after he had been waived out of the American league, offered him more than he ever got in Detroit.

That would have to be more than \$55,000 and one report said the pay would have topped Babe Ruth's all-time \$80,000 high.

"After 11 years and 1,150 games in a Tiger uniform, I always expected to finish my career in Detroit," he said, "since it was decided for me that this could not be, I do not desire to start anew in a strange environment."

## Salem Saxons Cop Tilt From Monaca

Wally Linder's field goal in the last 15 seconds of play gave the Salem Junior Saxons their 11th consecutive victory of the season Saturday night over Monaca's Juniors five 53-52 in a game played in Monaca.

It was a game highlighted by rough and tumble play, with Monaca leading most of the way. The home team was ahead at the half 33-27.

Mike Linder collected 16 points to pace the Salem squad. Rudy Schuster notched 12.

Salem's last regular game this season will be played here Saturday night against New Castle.

Berlin Dance Hall  
Fire Fatal to 81

BERLIN, Feb. 10.—Rescuers, working in near zero temperatures, today had recovered 81 bodies from the ruins of the Karlsruh dance hall, razed by fire at the height of a Saturday night costume ball. Another 39 persons were in hospitals.  
Capt. Frank Walten, British fire chief, said he did not expect the death toll to climb much higher.  
A check of British rosters showed seven soldiers missing, the British provost marshal's office said.  
Various causes were advanced for the holocaust.  
A British fire control officer blamed overheated stoves, while a German civilian, said a short circuit caused the fire.
